

Court of Appeals, State of Michigan

ORDER

People of MI v Michael Magik Jones

Docket No. **353266**

LC No. **18-000724-FC**

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The motion to hold in abeyance is DENIED because the Court is not persuaded of the need for an abeyance. Because the transcript was filed during the recent tolling period appellant's brief is not due until August 3, 2020. See MCR 7.212(A)(1)(a)(iii); Administrative Order No. 2020-16. Further, defendant-appellant may file a motion for a standard 56-day extension beyond that date. Thus, this Court finds no sound reason to hold this appeal in abeyance based on defendant seeking to hire retained counsel.
